Medical Cannabidiol Registry — TRF

Purpose

This appropriation is intended to fund the acquisition of a system that will track medical cannabidiol sales in real time to patients and primary caregivers, and to track production, inventory, and delivery of medical cannabidiol. The system is required by Iowa Code section [124E.11](#).

The system is required to track the following items (IAC 641—154.16(4)):

- a. Inventory of plant material, medical cannabidiol, and waste material;
- b. Transport of plant material, waste material, and laboratory samples;
- c. Application and use of crop inputs and other solvents and chemicals;
- d. Sales of medical cannabidiol to dispensaries;
- e. Sales of medical cannabidiol from dispensaries to patients and primary caregivers.

The system will be used by the Department of Public Health, law enforcement agencies, manufacturers, dispensaries, and laboratories.

Funding

This project has received an appropriation of \$350,000 in FY 2019 from the Technology Reinvestment Fund.
